19. Glossary	11

Dear parents and carers,

The aim of this information report is to explain how we implement our SEND policy. In other words, we want to show you how special educational needs support works in our school.

If you want to know more about our arrangements for SEND, read our SEND policy. You can find it on our website [here](#)

Note: If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

1. What types of SEN does the school provide for?

Our school provides for pupils with the following needs:

AREA OF NEED	CONDITION
Communication and interaction	Autism spectrum disorder (ASD)
	Speech and language difficulties
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia, dyscalculia.
	Moderate learning difficulties
	Severe learning difficulties
Social, emotional and mental health	Attention deficit hyperactivity disorder (ADHD)
	Attention deficit disorder (ADD)
	Mental health conditions (anxiety, depression etc)
Sensory and/or physical	Hearing impairments
	Visual impairment
	Multi-sensory impairment
	Physical impairment

2. Which staff will support my child, and what training have they had?

Our special educational needs co-ordinator, or SENCO is Orli West.

They have been working in this role for 1 year and have worked as a qualified teacher for 5 years at WIJPS. They are working towards achieving the NPQ SEN qualification which will take up to 18 months, whilst allocating 2 days a week to manage our SEN provision.

Class teachers

All of our teachers receive in-house SEN training, and are supported by the SENCO to meet the needs of pupils who have SEN. They also have Talking For a Purpose behaviour training and SEaTTS training.

Learning Support Assistants (LSAs)

We have a team of 13 LSAs, including nursery nurses and 3 higher-level teaching assistants (HLTAs) who are trained to deliver SEN provision.

We also have teaching assistants who are trained to deliver interventions such as Lego therapy, Healthy Hands, phonics and a life skills curriculum.

External agencies and experts

Sometimes we need extra help to offer our pupils the support they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEN and to support their families. These include:

- › Speech and language therapists
- › Educational psychologists
- › Occupational therapists
- › GPs or paediatricians
- › School nurses
- › Child and adolescent mental health services (CAMHS)
- › Education welfare officers
- › Social services and other local authority (LA)-provided support services
- › Voluntary sector organisations
- › SEaTTS
- › Our in-house counsellor

3. What should I do if I think my child has SEN?

Tell us about your concerns

We will invite you to a meeting to discuss them

We will decide whether your child needs SEN support

If you think your child might have SEN, the first person you should tell is your child's teacher. You can see them at the door or email them at firstname.lastname@ijpsonline.co.uk

They will pass the message on to our SENCO, who will be in touch to discuss your concerns.

You can also contact the SENCO directly at orli.west@ijpsonline.co.uk

We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are.

Together we will decide what outcomes to seek for your child and agree on next steps.

We will make a note of what's been discussed and add this to your child's record. You will also be given a copy of this.

If we decide that your child needs SEN support, we will formally notify you in writing and your child will be added to the school's SEND register.

4. How will the school know if my child needs SEN support?

All our class teachers are aware of SEN and are on the lookout for any pupils who aren't making the expected level of progress in their schoolwork or socially. This will include reading, writing and number work.

If the teacher notices that a pupil is falling behind, they try to find out if the pupil has any gaps in their learning. If they can find a gap, they will give the pupil extra tuition to try to fill it. Pupils who don't have SEN usually make progress quickly once the gap in their learning has been filled.

If the pupil is still struggling to make the expected progress, the teacher will talk to the SENCO, and will contact you to discuss the possibility that your child has SEN.

The SENCO will observe the pupil in the classroom and in the playground to see what their strengths and difficulties are. They will have discussions with your child's teacher/s, to see if there have been any issues

with, or changes in, their progress, attainment or behaviour. They will also compare your child's progress and development with their peers and available national data.

The SENCO will ask for your opinion and speak to your child to get their input as well. They may also, where appropriate, ask for the opinion of external experts such as a speech and language therapist, an educational psychologist, or a paediatrician.

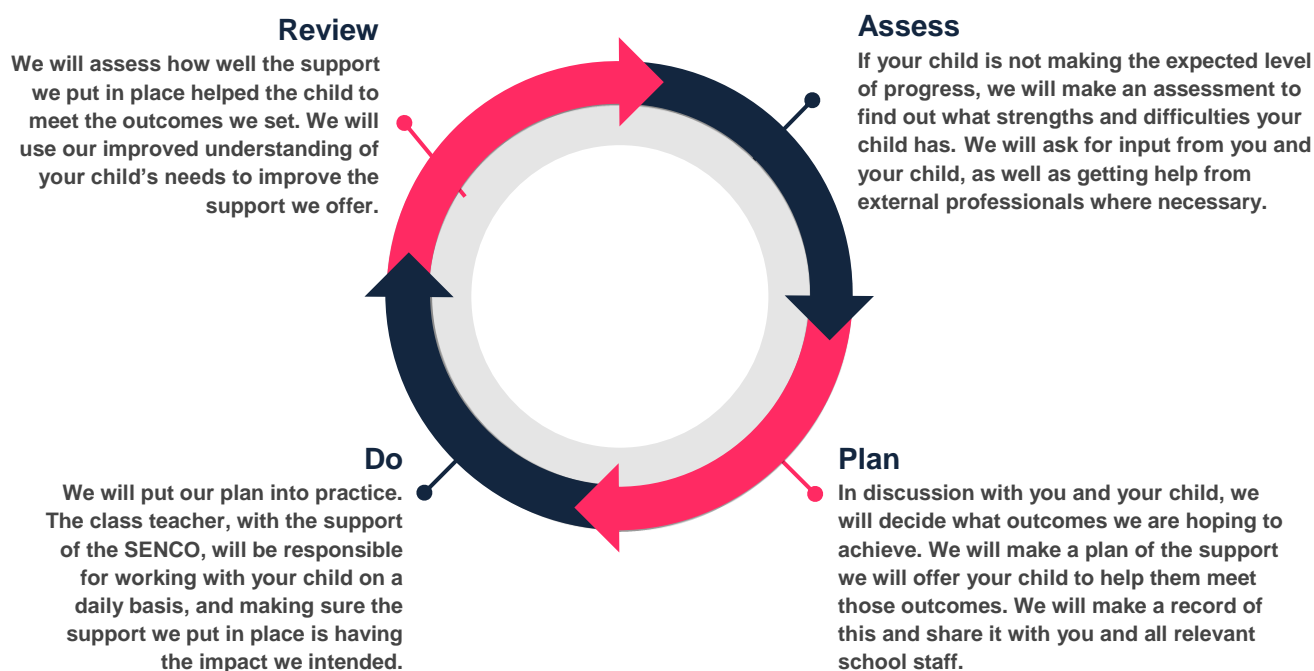

Based on all of this information, the SENCO will decide whether your child needs SEN support. You will be told the outcome of the decision in writing.

If your child does need SEN support, their name will be added to the school's SEND register, and the SENCO will work with you to create a SEN support plan for them.

5. How will the school measure my child's progress?

We will follow the 'graduated approach' to meeting your child's SEN needs.

The graduated approach is a 4-part cycle of **assess, plan, do, review**.

As a part of the planning stage of the graduated approach, we will set outcomes that we want to see your child achieve.

Whenever we run an intervention with your child, we will assess them before the intervention begins. This is known as a 'baseline assessment'. We do this so we can see how much impact the intervention has on your child's progress.

We will track your child's progress towards the outcomes we set over time and improve our offer as we learn what your child responds to best.

This process will be continual. If the review shows a pupil has made progress, they may no longer need the additional provision made through SEN support. For others, the cycle will continue and the school's targets, strategies and provisions will be revisited and refined.

6. How will I be involved in decisions made about my child's education?

We provide twice yearly reports on the progress of all children at WIJPS and offer two parents evenings. However, if we feel that your child has additional needs which cannot be catered for within the normal class routines, we will discuss this with you in the first instance. We may all agree that your child should be placed on the SEN register, and we will then create a special document (called an IEP – Individual Education Plan) which we will use to monitor your child's progress.

Your child's class teacher will meet you 3 times a year to:

- Set clear outcomes for your child's progress
- Review progress towards those outcomes
- Discuss the support we will put in place to help your child make that progress
- Identify what we will do, what we will ask you to do, and what we will ask your child to do

The SENCO may also attend these meetings to provide extra support.

We know that you're the expert when it comes to your child's needs and aspirations. We want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEN support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

After any discussion we will make a record of any outcomes, actions and support that have been agreed. This record will be shared with all relevant staff, and you will be given a copy.

If you have concerns that arise between these meetings, please speak to your child's class teacher in the first instance.

7. How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age and level of competence. We recognise that no two children are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes
- Prepare a presentation, written statement, video, drawing, etc.
- Discuss their views with a member of staff who can act as a representative during the meeting
- Complete a survey

8. How will the school adapt its teaching for my child?

Your child's teacher is responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will differentiate (or adapt) how we teach to suit the way the pupil works best. There is no 'one size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child.

These adaptations include:

- Differentiating our curriculum to make sure all pupils are able to access it, for example, by grouping, 1-to-1 work, adapting the teaching style or content of the lesson, etc.
- Differentiating our teaching, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.
- Adapting our resources and staffing
- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.
- Teaching assistants will support pupils on a 1-to-1 basis when this is directed by an EHCP.
- Teaching assistants will support pupils in small groups when needed.

We may also provide the following interventions:

AREA OF NEED	CONDITION	HOW WE SUPPORT THESE PUPILS
Communication and interaction	Autism spectrum disorder (ASD)	Visual timetables Social stories Life skills intervention Sensory room use
	Speech and language difficulties	Speech and language therapy
Cognition and learning	Specific learning difficulties, including dyslexia, dyspraxia and dyscalculia	Writing slope Phonics intervention Healthy Hands intervention
	Moderate learning difficulties	As required by the individual child
	Severe learning difficulties	As required by the individual child
Social, emotional and mental health	ADHD, ADD	Quiet workstation Wobble cushions Chair bands Sensory room use
	Adverse childhood experiences and/or mental health issues	Nurture groups Access to calm corners Sensory room use
Sensory and/or physical	Hearing impairment	As required by the individual child
	Visual impairment	Limiting classroom displays

	Multi-sensory impairment	As required by the individual child
	Physical impairment	As required by the individual child

These interventions are part of our contribution to Redbridge's local offer.

9. How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

- › Reviewing their progress towards their goals each term
- › Reviewing the impact of interventions after around 6 weeks
- › Using pupil questionnaires
- › Monitoring by the SENCO
- › Using provision maps to measure progress
- › Holding an annual review (if they have an education, health and care (EHC) plan)

10. How will the school resources be secured for my child?

It may be that your child's needs mean we need to secure:

- Extra equipment or facilities
- More teaching assistant hours
- Further training for our staff
- External specialist expertise

If that's the case, we will consult with external agencies to get recommendations on what will best help your child access their learning.

The school will cover up to £6,000 of any necessary costs. If funding is needed beyond this, we will seek it from our local authority via an EHCP.

11. How will the school make sure my child is included in activities alongside pupils who don't have SEN?

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs.

All pupils are encouraged to go on our school trips, including our residential trips in Years 5 and 6.

All pupils are encouraged to take part in sports day, class assemblies and special workshops.

No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure they can be included.

12. How does the school make sure the admissions process is fair for pupils with SEN or a disability?

Arrangements for the admission of disabled pupils:

- o All pupils whose education, health and care (EHC) plans name the school will be admitted before any other places are allocated
- o If we are oversubscribed, pupils with disabilities will be prioritised
- o No pupils will be discriminated against for a disability

13. How does the school support pupils with disabilities?

Facilities provided to help disabled pupils access the school include:

- o Disabled parking spots are marked and located near to the school reception.
- o Steps are edged with white to ensure they are easier for those with visual impairments to negotiate.
- o There are dropped pavements for easy access to the school.
- o There are disabled toilets to ensure accessibility for pupils with a disability.
- o A medical area has been provided in order to enable a safe place for insulin testing/injections.

You can find the accessibility plan on the school website www.ijpsonline.co.uk. This covers:

- o Improving the physical environment to enable disabled pupils to take better advantage of the education, benefits, facilities and services you provide
- o Improving the availability of accessible information to disabled pupils

14. How will the school support my child's mental health, and emotional and social development?

We provide support for pupils to progress in their emotional and social development in the following ways:

- Pupils with SEN are encouraged to be part of the school council and Year 6 leadership team.
- Pupils with SEN are also encouraged to be part of the Zen Den club to promote teamwork/building friendships.
- We provide extra pastoral support for listening to the views of pupils with SEN by ensuring they know all teachers have an open-door policy.
- We run a life skills curriculum for pupils who need extra support with social or emotional development.
- We have a 'zero tolerance' approach to bullying.
- We have an ELSA (emotional literacy support assistant) who sees pupils for sessions once a week.
- We have a psychotherapist from Heart to Heart who sees pupils for sessions once a week.

15. What support will be available for my child as they transition between classes or settings, or in preparing for adulthood?

Between years

To help pupils with SEN be prepared for a new school year we:

- › Ask both the current teacher and the next year's teacher to attend a final meeting of the year when the pupil's SEN is discussed
- › Schedule at least 2 lessons with the incoming teacher towards the end of the summer term
- › Create a transition book with pictures and information about the upcoming year
- › Invite all pupils with SEN to come in for transition time before the new year starts

Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting.

Between phases (for primary schools)

The SENCO of the secondary school will meet with our SENCO. They will discuss the needs of all the children who are receiving SEN support.

Pupils will be prepared for the transition by:

- › Practising with a secondary school timetable
- › Learning how to get organised independently
- › Plugging any gaps in knowledge

16. What support is in place for looked-after and previously looked-after children with SEN?

Lisa West, our headteacher and DSL, will work with our SENCO, to make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEN might interact, and what the implications are for teaching and learning.

Children who are looked-after or previously looked-after will be supported much in the same way as any other child who has additional needs. However, looked-after pupils will also have a personal education plan (PEP). We will make sure that the PEP and any SEN support plans or EHC plans are consistent and complement one another.

17. What should I do if I have a complaint about my child's SEN support?

- › Where parents have concerns about our school's SEND provision, they should first raise their concerns informally with the class teacher or SENCO. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents are welcome to submit their complaint formally.
- › Information about formal complaints about SEND provision in our school should be made to the headteacher in the first instance. They will be handled in line with the school's complaints policy, found here <https://www.ijpsonline.co.uk/wp-content/uploads/2024/03/Complaints-procedure.pdf>.
- › If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

- › To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the SEN Code of Practice.
- › For parents who are unhappy with the Local Authority or school responses to their child's SEND, may wish to contact the Local Authority SEN Mediation Service. Parents may also seek mediation from the regional mediation services. To find out about disagreement resolution and mediation services in our local area, please look here https://find.redbridge.gov.uk/kb5/redbridge/fsd/localoffer.page?localofferchannel=1_10_5. You can request mediation by contacting Redbridge Community accord (https://find.redbridge.gov.uk/kb5/redbridge/fsd/service.page?id=B-xZnHt6yVk&localofferchannel=1_10_5) on 01274 223313 or at info@communityaccord.com.
- › The Redbridge Information and Advice Support Service (RIASS) offer impartial advice and support to parents and carers of all children and young people with SEND https://find.redbridge.gov.uk/kb5/redbridge/fsd/localoffer.page?localofferchannel=1_1_10.

18. What support is available for me and my family?

If you have questions about SEN, or are struggling to cope, please get in touch to let us know. We want to support you, your child and your family.

To see what support is available to you locally, have a look at your local authority (Redbridge)'s local offer. Redbridge publishes information about the local offer on their website:

<https://find.redbridge.gov.uk/kb5/redbridge/fsd/localoffer.page?localofferchannel=0>

Our local special educational needs and disabilities information, advice and support (SENDIAS) services are:

<https://redbridgeiass.org.uk/>

Local charities that offer information and support to families of children with SEN are:

<https://www.snapcharity.org/>

<https://www.empoweringparentstogether.org.uk/>

National charities that offer information and support to families of children with SEN are:

- › [IPSEA](#)
- › [SEND family support](#)
- › [NSPCC](#)
- › [Family Action](#)
- › [Special Needs Jungle](#)

19. Glossary

- › **Access arrangements** – special arrangements to allow pupils with SEN to access assessments or exams
- › **Annual review** – an annual meeting to review the provision in a pupil's EHC plan
- › **Area of need** – the 4 areas of need describe different types of needs a pupil with SEN can have. The 4 areas are communication and interaction; cognition and learning; physical and/or sensory; and social, emotional and mental health needs
- › **CAMHS** – child and adolescent mental health services
- › **Differentiation** – When teachers adapt how they teach in response to a pupil's needs

- › **EHC needs assessment** – the needs assessment is the first step on the way to securing an EHC plan. The local authority will do an assessment to decide whether a child needs an EHC plan
- › **EHC plan** – an education, health and care (EHC) plan is a legally-binding document that sets out a child's needs and the provision that will be put in place to meet their needs
- › **First-tier tribunal / SEND tribunal** – a court where you can appeal against the local authority's decisions about EHC needs assessments or plans and against discrimination by a school or local authority due to SEN
- › **Graduated approach** – an approach to providing SEN support in which the school provides support in successive cycles of assessing the pupil's needs, planning the provision, implementing the plan, and reviewing the impact of the action on the pupil
- › **Intervention** – a short-term, targeted approach to teaching a pupil with a specific outcome in mind
- › **Local offer** – information provided by the local authority that explains what services and support are on offer for pupils with SEN in the local area
- › **Outcome** – target for improvement for pupils with SEN. These targets don't necessarily have to be related to academic attainment
- › **Reasonable adjustments** – changes that the school must make to remove or reduce any disadvantages caused by a child's disability
- › **SENCO** – the special educational needs co-ordinator
- › **SEN** – special educational needs
- › **SEND** – special educational needs and disabilities
- › **SEND Code of Practice** – the statutory guidance that schools must follow to support children with SEND
- › **SEN information report** – a report that schools must publish on their website, that explains how the school supports pupils with SEN
- › **SEN support** – special educational provision that meets the needs of pupils with SEN
- › **Transition** – when a pupil moves between years, phases, schools or institutions or life stages
